**Introduction:** Rosemary welcomed everyone. Alison Shakspeare and Mike Summerton, who have both left the Town Team this year, were thanked. All other members were introduced.

**Reports from the Chair and Project Leaders:** There was a presentation about the Town Team's aims and work over the past year including CredFest 17, the Flag Project, the 2<sup>nd</sup> Boniface Project, the New Community Hub, Get Out magazine, Active Mums Cycling Project and Wellbeing Credition.

**Accounts:** These were presented. Our expenditure exceeded income by just over £2,000, but mostly as a result of monies allocated to the Festival from the previous year. Balance at year end on 30/9/17 was nearly £11,000, up from our starting balance of £8,000 in 2014.

**Officers:** Existing officers were all confirmed. No elections were required.

**Questions:** Margaret Squires suggested we looked at Higher Bickington Community Centre as a possible model for the new Hub. Nick Way thanked the Town Team for their hard work.

Rosemary closed the meeting at 9pm
