

TRUSTEES NEEDED

Credition Community Hub

aiming to improve the quality of life for
the citizens of Credition through
Arts, Community & Enterprise.

Credition Community Hub (CCH) will be a new facility for local people, a destination for culture and entertainment and an incubator for small enterprises.

We need an enthusiastic team to set up this organisation, direct it towards achieving its objectives and ensure that it is managed effectively.

We want to recruit five to nine people to join a new governing body, the Shadow Board of Trustees, under the umbrella of Credition Town Team in the first instance. The posts are unpaid, though reasonable expenses will be reimbursed.

We're looking for people with enough time, energy and vision to make this ambitious project happen.
